• Berry Bushes (unidentified)

• Entrance

LAKE

5 RR Point to Forrest Creek

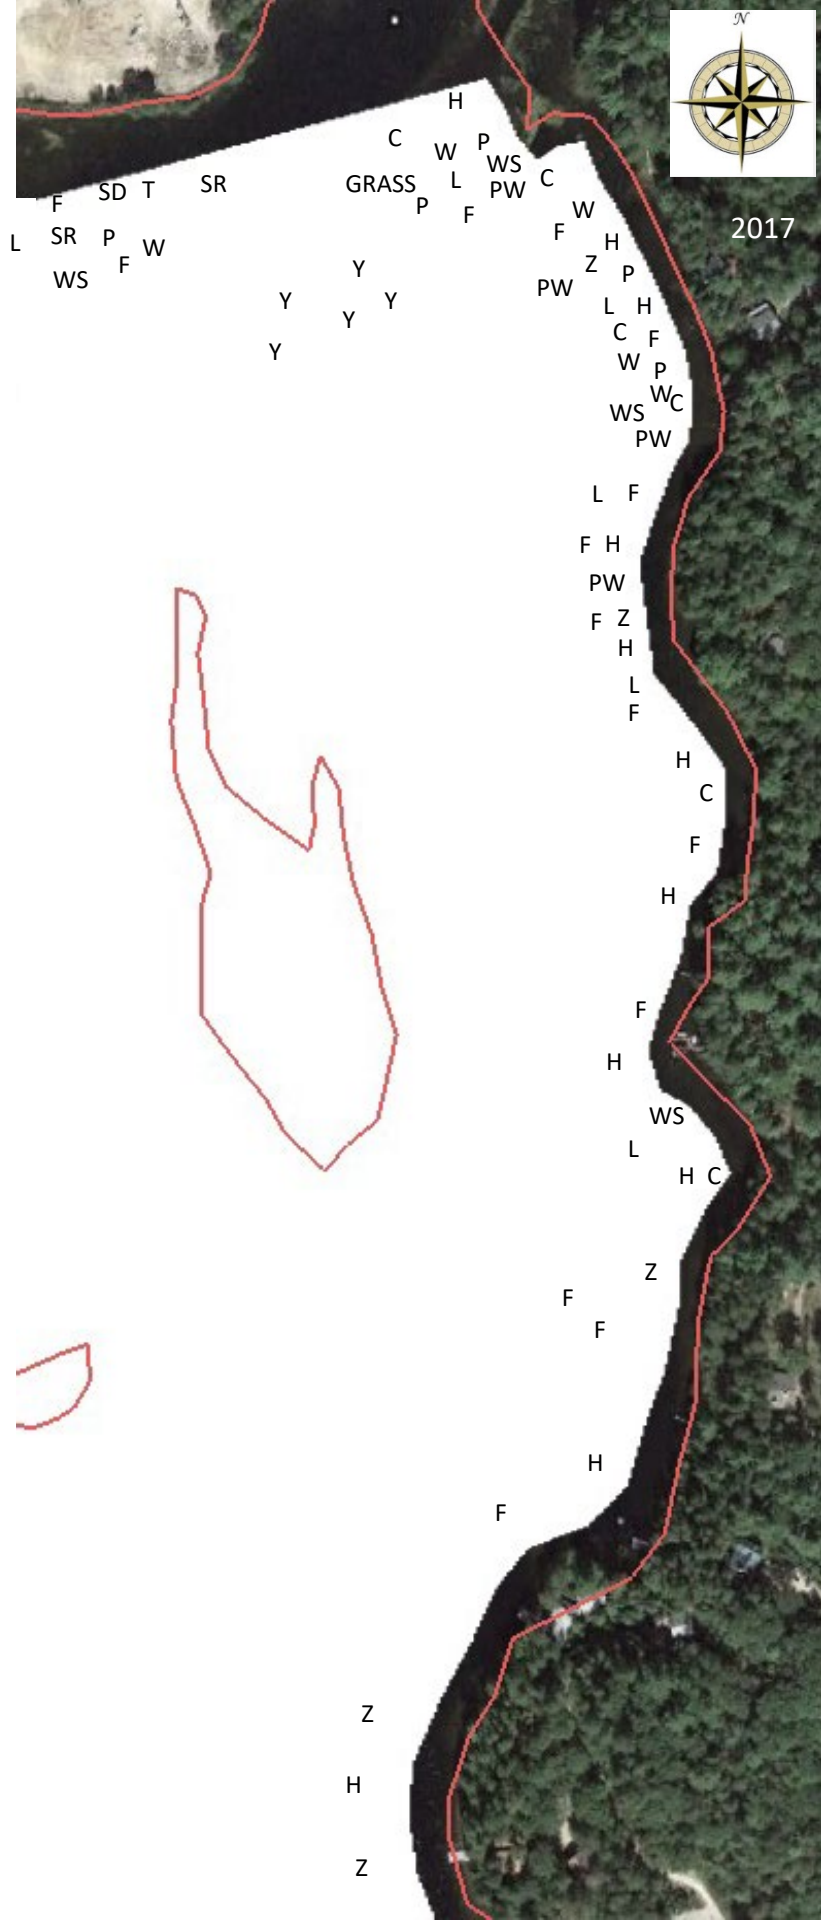

2017

Key

- B = Bur-reed
- C = Wild celery/tape grass
- F = Floating Heart
- G = Tall grass laying on surface
- H = Pipewort (Hatpins)
- L = White Lilies
- LO = Lobelia
- N = Native Milfoil
- O = Oval flat pointed leaf floating
- P = Pickerel Weed
- PW = Pond Weed
- R = Reeds
- S = Bullrush
- SD = Sedge
- SR = Soft Rush
- T = Cattails
- W = Bladderwort
- WS = Water Shield
- Y = Yellow Lilies
- Z = Zygnera (Green Algae)

6 Forrest Creek to Charlotte Point

Key

- B = Bur-reed
- C = Wild celery/tape grass
- F = Floating Heart
- G = Tall grass laying on surface
- H = Pipewort (Hatpins)
- L = White Lilies
- LO= Lobelia
- N = Native Milfoil
- O = Oval flat pointed leaf floating
- P = Pickerel Weed
- PW = Pond Weed
- R = Reeds
- S = Bullrush
- SD= Sedge
- SR = Soft Rush
- T = Cattails
- W=Bladderwort
- WS = Water Shield
- Y = Yellow Lilies
- Z = Zygnera (Green Algae)

7 Charlotte Point to Half Moon Is

2017

Blueberry and berry
bushes throughout
Shoreline

Natural rock edge, sandy bottom
Small stones/rocks

Green Starry
bottom
Water Lily
Pipewort
Iris

Stone Wall
Fleabane (tiny daisy)

Dark leaf vine with
pink flowers

No Reeds

Buoy

Shallow
