

Community Action Forum: Madison's Watershed Management Plan

**Wednesday,
October 7th
5:30p-7:00p**

ZOOM in to hear the
preliminary results of
this 2-year study...
we're seeking your
input and ideas!

The Watershed Management Plan study, approved at our Town Meeting in 2025, is almost complete! Tune in, via ZOOM, where the Watershed Steering Committee and FB Environmental Associates will present the challenges we've identified for our watershed and **seek public input** on a proposed plan of action for addressing the challenges. Please mark your calendars and join us. For more information, go to: www.silverlakemadison.com
